Senior History

The class of 2018 may not be the largest class, but we certainly are unique and we harbor many talents, whether it be from our classes All-Star athletic abilities or the creative artistic and musical talents of others. However, our talents definitely do not end on the stage or on the field, they're present in the classroom as well, with the genius potential of many of our classmates. The past four years have been compelling and engaging and there have been many changes throughout those years, some were favorable, some were not so favorable. Despite some of these setbacks though, we powered through together to make these years some of the best.

Freshman year was such a blur that when you actually think about it, you can barely remember some of the things that we did. One of the first things that we did was find an advisor, Mr. Burke. We also chose our class color and landed with yellow. Booster Week came around and it was time for Hallway Wars and our theme was our color. How cool was that? We got a solid fourth place. The 2018 dynasty began when we won the Spirit Day competition. Freshman year was an unbelievable year for sports. Football finished out a perfect season making it to playoffs and beat the Green Wave in the Turkey Day Game. Field Hockey joined in the mix of champions as well. They made it to the playoffs. Basketball made it to The Cage and won the league. The Swim team also made their presence known at the Western Mass Championship meet. Softball brought home another State Title. The musical that year was *Beauty and the Beast*, starring a few of our own. Some of the beloved teachers that we had were Mr. and Mrs. Nailos and Ms. Greco. We sold Little Caesars pizza kits and that was not successful at all. We were a guinea-pig year and they had the Freshman have all year classes for 40 minutes instead of half-year classes for 80 minutes. The Student Council went to their first ever state conference in Hyannis, MA. Freshman year was an exciting year of firsts and in the end we started an unforgettable legacy within Turners Falls.

When Sophomore year rolled around, we found that we had more experience than we originally thought we had. We came into this year with new leadership with Ms. Leonard as our new Principal and Mr. McGraw as our new Vice Principal. Tragically though, shortly after the start of the school year we heard the news that McGraw had been diagnosed with lung cancer. The community and the school came together like never before to support Mr. McGraw and his family. "McGraw Strong" became our slogan for that year. The class of 2018 won the Spirit Day competition again. We really stepped it up this year and took second in Hallway Wars with our Video Game theme. The musical that year was *Little Shop of Horrors*, in which several of our classmates took lead roles. The football team withheld their reputation and won the Turkey Day game again for what would be the fifth year in a row. The volleyball team also made it to playoffs that year. Basketball had a great season as well as Field Hockey, Swim and Track. Softball team won another State Title. The girls in our class won Powderpuff. Also, during our sophomore year, Fowler became our co-advisor and opened up a ton of new possibilities for our class.

Junior year came around and we crushed it. It was truly a year of many victories. For the third year in a row we won the Spirit Day competitions, and this year we also won the Hallway Wars competition with our *Lion King* theme, beating out the seniors. Football won the Turkey Day game again, for the sixth year in a row. Football was also Western Mass Champions. Field Hockey had a really great season, too. Both the boys and the girls Varsity Basketball teams made it to the Western Mass Championships at The Cage. The Swim team went back to Western Mass too. Softball brought home another State Title. The girls in our class won Powderpuff for the second year in a row. The musical this year was *The Lion King*. Many of our classmates participated in the 'Buzz-Off' campaign, a charity event to raise money for children with cancer. A big shout-out to those of you that shaved your head, and met Gronk. This year, Ms. Larson also took her Honors US History II class to Newport, RI, which consisted of a vast majority of the junior class. Student Council brought back the Homecoming Dance, which was very successful. The juniors also put on a very successful "Rustic Romance" themed prom at the Wyckoff Country Club. Ms. Craig and Jobst left TFHS, which was really saddening. During this year, the School Committee voted to change our mascot the Indians. All in all, the year was rewarding and we walked away stronger than ever.

And here we are: Senior year. Years ago, we never thought that we would be here, together, counting down the days until we are done with high school. Senior year is filled with many triumphs. We won Hallway Wars for the second year in a row with a theme of *Monopoly*. We won the Spirit Days for the fourth year in a row, ending a dynasty that will, no doubt, be hard to do again. In sports, the girls in our class won Powderpuff for the third consecutive year. Girls Basketball made it to The Cage. A monumental congratulations to Maddy who became the first girl in TFHS history to join the 1,000 Point Club. Swim went back to Western Mass, Field Hockey had a great season, and we expect that Softball will have another great season in the spring. Best of luck to Track, Tennis, and Baseball let us hope they have a strong spring season. The musical this year was *Dorothy in Wonderland* and some of the seniors took to the stage. We are still without a mascot. Prom's theme this year is "Under the Stars" and takes place on a Friday at Union Station in Northampton. We are going to Pennsylvania for our class trip, a trip that will leave us with some lasting memories. Soon after we return from our class trip, we will be preparing to walk down the aisle at Graduation and move onto the next chapter in our lives.

In our four years together, one was never like the last. Each year got progressively more eventful and more fun as the anticipation of entering senior year built. However, like all good things, it must come to an end. We left a mark on this school with numerous championships, banners, and trophies and we should be proud of that. We left an impact on our community that will be remembered for many years to come. I am so incredibly proud to be a part of the Class of 2018, and as the years pass, I will remember the close-knit, family feel that our class had. I am so incredibly proud of all of you and I know that you will achieve great things in the future. With much love and many thanks, I say farewell and good luck.

Junior History

The major focus this year for the junior class has been working hard to fundraise for our prom and class trip. Once again, Santas Breakfast was a successful event and we hope to continue to raise money throughout the year. For the third year in a row, the junior class was victorious during tug of war for our booster day rally. Our hope for the rest of the year is that we will continue to be prosperous with fundraising and that we will end of year with a fantastic prom!

Sophomore History

Starting off the year, we started preparing our class t-shirts, for Booster Week. Everyone wears them, they came out great. For Hallway Wars, our theme was Purple Rain, Purple Reign. On Booster Day, we played tug-a-war against the seniors and won. We then faced the juniors and came in second place overall. We sold Krispee Kreme doughnuts as our fundraiser.

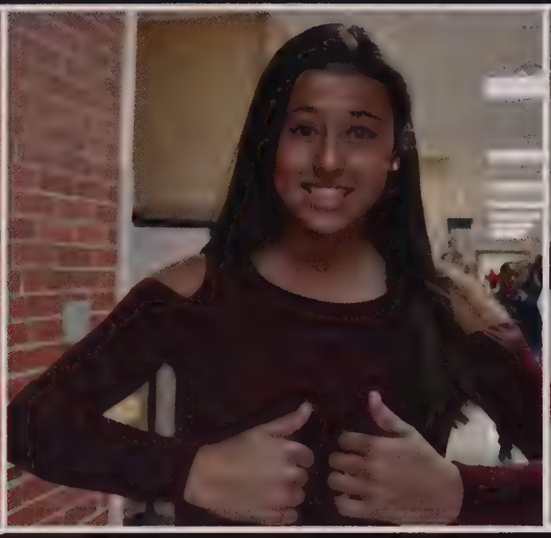
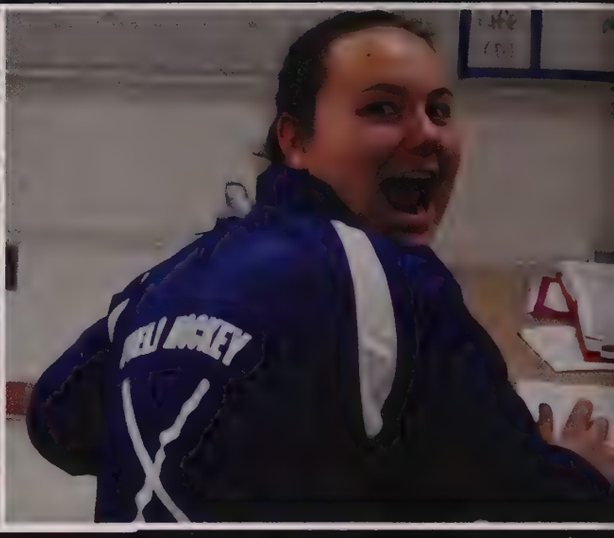
Freshman History





The freshman class has worked hard this year to make the amount of money that we have. (Although this was written in January, so maybe we made more?) We hosted a ornament fundraiser which got us a nice $410 in our account to start. We are planning on running concessions a basketball games and many more fundraisers to continue adding on for our class. It has been a fun year and we hope to make even more dough in the future!
